**"A trophy carries dust, the memories last forever."**

With the remodeling and new construction project, we do not have the necessary room to store or display all of the trophies from previous years. We will display all state qualifying trophies and pictures inside of the new trophy cases. We have also photographed all conference and district championship trophies and will display them as a video on a TV screen in the athletic commons area.

On December 13th during the wrestling meet and December 14th during the basketball games, we will be taking donations for any of the trophies we do not have room to display.

With the completion of the new building project, Midland has a bright future ahead. We will always remember the past, but we now have a brand new facility to carry us into the future.

If you have any questions or would like a specific trophy, please contact Ryan Steines at [midlandad@midland.k12.ia.us](mailto:midlandad@midland.k12.ia.us).
