- Students are encouraged to wear masks while in the building. We will have donated masks available. Students will be responsible for laundering masks.

Driving Times

- Students must be at the school and on time for their scheduled drive times.

Completion of the Course

- Students must average 70% or higher on their knowledge tests to pass Drivers Education.
- Students that average below 75% on their knowledge tests will need to drive with the license examiner.

- Certificate of completion will be signed by instructor based on driving scores and driving ability.
- Students dismissed from class for inappropriate behavior will be dropped from the class with no refund of their payment.
- Any make-up times will be held at the convenience of the instructor.
