

HOW TO APPLY FOR FREE AND REDUCED PRICE SCHOOL MEALS/MILK

Please use these instructions to help you fill out the application for free or reduced price school meals/milk. You only need to submit **one** application per household, even if your children attend more than one school in **Midland Community School District**. Please follow these instructions in order. Each step of the instructions is the same as the steps on your application. The application must be filled out completely to certify your children for free or reduced price school meals. **Completed applications should be mailed or returned to Erika Tubbs, Midland Elementary School, PO Box F, Oxford Junction, Iowa 52323.** If at any time you are not sure what to do next, please contact **Erika Tubbs at 563-488-2292, Ext 3270.**

PLEASE USE A PEN (NOT A PENCIL) WHEN FILLING OUT THE APPLICATION AND DO YOUR BEST TO PRINT CLEARLY.

STEP 1: LIST ALL HOUSEHOLD MEMBERS WHO ARE INFANTS, CHILDREN, AND STUDENTS UP TO AND INCLUDING GRADE 12.

Tell us how many infants, children, and school students live in your household. They do NOT have to be related to you to be a part of your household.

Who should I list here?

When filling out this section, please include **all** members in your household who are:

- Children age 18 or under **and** are supported with the household's income;
- In your care under a foster arrangement, or qualify as homeless, migrant, or runaway youth;
- Students attending **Midland Community School**, *regardless of age*.

- A) List each child's name and date of birth.** Print each child's first name, middle initial, last name and date of birth (optional). Use one line of the application for each child. If there are more children present than lines on the application, attach a Supplemental Worksheet, which can be obtained from the school, with all required information for the additional children.
- B) Is the child a student?** Mark 'Yes' or 'No' under the column titled "student" to tell us which children attend Midland Community School. If you marked 'Yes' write where the child attends school and write the grade level of the student in the "Grade" column to the right.
- C) Do you have any foster children?** If any children listed are foster children, mark the "Foster Child" box next to the child's name. If you are *ONLY* applying for foster children, after finishing STEP 1, go to "STEP 4". Foster children who live with you may count as members of your household and should be listed on your application. If you are applying for both foster and non-foster children, go to step 3.
- D) Are any children homeless, migrant, or runaway?** If you believe any child listed in this section may meet this description, mark the "Homeless, Migrant, Runaway" box next to the child's name and **complete all steps of the application.**

STEP 2: DO ANY HOUSEHOLD MEMBERS CURRENTLY PARTICIPATE IN FOOD ASSISTANCE, FIP, OR FDPIR?

If anyone in your household (including you) currently participates in one or more of the assistance programs listed below, your children are eligible for free school meals:

- The Food Assistance Program (FA)
- The Family Investment Program (FIP)
- The Food Distribution Program on Indian Reservations (FDPIR)

A) IF NO ONE IN YOUR HOUSEHOLD PARTICIPATES IN ANY OF THE ABOVE LISTED PROGRAMS:

- Circle 'NO' and go to STEP 3. (Leave the rest of STEP 2 blank)

B) IF ANYONE IN YOUR HOUSEHOLD PARTICIPATES IN ANY OF THE ABOVE LISTED PROGRAMS:

- Circle 'YES' and provide a case number for FA, FIP, or FDPIR. You only need to write one case number. If you participate in one of these programs and do not know your case number, it is located on your Notice of Decision. **You must provide a case number on your application if you circled "YES".**
- Go to STEP 4.

Report all amounts in GROSS INCOME ONLY. Report all income in whole dollars. Do not include cents.

- Gross income is the total income received before taxes.
- Many people think of income as the amount they "take home" and not the total, "gross" amount. Make sure that the income you report on this application has NOT been reduced to pay for taxes, insurance premiums, or any other amounts taken from your pay.
- Write a "0" in any fields where there is no income to report. Any income fields left empty or blank will also be counted as a zero. If you write '0' or leave any fields blank, you are certifying (promising) that there is no income to report. If local officials have known or available information that your household income was reported incorrectly, your application will be investigated.
- Mark how often each type of income is received using the check boxes to the right of each field.

STEP 3: REPORT INCOME FOR ALL HOUSEHOLD MEMBERS

- A) Report all income earned or received by children.** Refer to the table below titled "Sources of Income for Children" and report the combined gross income for ALL children listed in Step 1 in your household in the box marked "Total Child Income." Only count foster children's income if you are applying for them with the rest of your household (income from a part-time job or from any funds provided to the child for the child's personal use). It is optional for the household to list foster children living with them as part of the household on an application for non-foster children.

Table 1. Sources of Income for Children**What is Child Income?**

Child income is money received from outside your household that is paid **directly** to your children. Many households do not have any child income. Use the chart below to determine if your household has child income to report.

Sources of Child Income	Example(s)
<ul style="list-style-type: none"> • Earnings from work 	<ul style="list-style-type: none"> • A child has a regular full or part-time job where they earn a salary or wages. (Infrequent earnings, such as income from occasional babysitting or lawn mowing, are not counted as income.)

- B) List Adult Household member's name.** Print the name of each household member in the boxes marked "Name of Adult Household Members (First and Last)." **Do not list any household members you listed in STEP 1.**

Who should I list here?

When filling out this section, please include **all** adult members in your household who are:

- Living with you and share income and expenses, even if not related and even if they do not receive income of their own.

Do not include:

- People who live with you but are not supported by your household's income AND do not contribute income to your household.
- Children and students already listed in Step 1.

- C) Report earnings from work.** Refer to the chart below titled "Sources of Income for Adults" and report all income from work in the "Earnings from Work" field on the application. This is usually the money received from working at jobs. If you are self-employed business or farm owner, you will report your net income. If you need assistance with this, ask your children's school for the Supplemental Worksheet which has self-employment calculations.

What if I am self-employed?

If you are self-employed, report income from work as a **net** amount. This is calculated by subtracting the total operating expenses of your business from its gross receipts and revenue. Ask your school for a Supplemental Worksheet to assist you in determining your monthly gross annual income before

- D) Report income from public assistance/child support/alimony.** Refer to the chart below titled "Sources of Income for Adults" and report all income that applies in the "Public Assistance/Child Support/Alimony" field on the application. Do not report the value of any cash value public assistance benefits NOT listed on the chart. If income is received from child support or alimony, only report court-ordered payments. Informal but regular payments should be reported as "other" income in the next part.
- E) Report income from pensions/retirement/all other income.** Refer to Table 2 below titled "Sources of Income for Adults" and report all income that applies in the "Pensions/Retirement/All Other Income" field on the application.

This number **MUST** be equal to the number of household members listed in STEP 1 and STEP 3. If there are any members of your household that you have not listed on the application, go back and add them. It is very important to list all household members, as the size of your household affects your eligibility for free and reduced price meals.
- G) Provide the last four digits of your Social Security Number.** An adult household member must enter the last four digits of their Social Security Number in the space provided. **You are eligible to apply for benefits even if you do not have a Social Security Number.** If no adult household members have a Social security Number, leave this space blank and mark the box to the right labeled "Check if no SSN."

Households may be eligible for free or reduced price meal benefits one of four ways listed below.

- Households whose income is at or below the levels shown are eligible for reduced price meals or free meals, if they complete an Application for Free and Reduced Price School Meals/Milk. Households may complete one application listing all children and return it to your child's school. When completing an application, only the last four digits of the social security number of the household's primary wage earner or another adult household member is needed.
- Food Assistance households, children receiving benefits under the Family Investment Program (FIP) and children in a few specific Medicaid programs are eligible for free or reduced price meals. Most children from Food Assistance and FIP households will be qualified for free meals automatically. These households will receive a letter from their children's schools notifying them of their benefits. Households that receive a letter from the school need to do nothing more for their children to receive free meals. No further application is necessary. If any children were not listed on the notice of eligibility, the household should contact the school to have free meal benefits extended to them. Households must contact the school if they choose to decline meal benefits.
- Some Food Assistance and FIP households will receive a letter from the Department of Human Services (DHS) which will qualify the children listed on the letter for free meals. Parents must take this letter to the child's school to receive free meals.
- Food Assistance or FIP households receiving benefits that do not receive a letter from DHS must complete an application with the abbreviated information as indicated on the application and instructions, for their children to receive free meals. When the application lists an Assistance Program's case number for any household member, eligibility for free benefits is extended to all children in a household.

Eligibility from the previous year will continue within the same school for up to 30 operating days into the new school year. When the carry-over period ends, unless the household is notified that their children are directly certified or the household submits an application that is approved, the children must pay full price for school meals and the school will not send a reminder or a notice of expired eligibility. An application cannot be approved unless complete eligibility information is submitted. Applications may be submitted at any time during the year. If a family member becomes unemployed the family should contact the school to complete an application. Households notified of their children's eligibility must contact the school if the household chooses to decline the free meal benefits.

Foster children are eligible for free meal benefits. Some foster children will be qualified for free meals automatically through the State Direct Certification process. Their host family will receive notification of these benefits. Families that receive this notification from the school need to do nothing more for their foster children to receive free meals. If a family has foster children living with them and does not receive notification and wishes to apply for such meals, instructions for making application for such children are contained on the application form. A foster child may be included as a member of the foster family if the foster family chooses to also apply for benefits for other children. Including children in foster care as household members may help other children in the household qualify for benefits. If the foster family is not eligible for free or reduced price meal benefits, it does not prevent a foster child from receiving benefits. Special Supplement Nutrition Program for Women, Infants, and Children (WIC) participants may be eligible for free or reduced price meals based on a completed application.

When known by the school, households will be notified of any child eligible for free meals if the children are enrolled in the Head Start/Even Start Program or are considered homeless, migrant or runaway. If any children are not listed on the notice of eligibility, contact the school for assistance in receiving benefits. If households are dissatisfied with the application approval done by the officials, they may make a formal appeal either orally or in writing to the school's designated hearing official. The Policy Statement on file at the school contains an outline of the hearing procedure. School officials may verify the information in the application, and that deliberate misrepresentation of information may subject the applicant to prosecution under applicable State and Federal criminal statutes. Households should contact their local school for additional information.

There will be no discrimination against individuals with Limited English Proficiency (LEP) in the school meal programs.

Nondiscrimination Statement: This explains what to do if you believe you have been treated unfairly.

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at: http://www.ascr.usda.gov/complaint_filing_cust.html, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form.
