

PAUL PETERSEN FITNESS CENTER

RULES AND REGULATIONS *(Updated 8/1/18)*

The following rules and regulations are intended to make the Fitness Center as safe, enjoyable, and pleasant as possible for all users. These rules are applicable to all users of the Fitness Center and may be changed from time to time by the Midland Community School District in order to provide for the safe, orderly and enjoyable use of the Fitness Center's facilities and equipment.

1. Use. Individuals shall use the facilities and equipment solely for weight and cardiovascular training on the equipment provided. Individuals should not misuse or use the facilities and related equipment in any manner that will damage the facilities and/or equipment. Individuals shall not install, tamper with or remove any equipment in the Fitness Center. No person may use the Fitness Center unless they have signed the waiver of liability. Individuals shall not grant access to the Fitness Center, nor permit the Fitness Center to be used by any unauthorized persons.

No one under the age of 18 or any current student will be allowed to be in the Fitness Center without supervision by a key FOB holding adult/coach/school employee. The school will provide appropriate supervision for any school sponsored uses of the Fitness Center. If a student is found to be in the facility unsupervised, they will be suspended from the facility for a period of four (4) weeks. A second offense would result in privileges revoked for a period of eight (8) weeks. All further offenses would result in loss of privileges for one (1) year. These rules will also apply to parents who give their fob to school age students to use the facility without physically being present to supervise. The fob will be deactivated for these same time frames. We have computer software that tells us whose fob is used at what time and we have video evidence of who enters the facility at what time.

Only those individuals who live in the Midland Community School District; are Midland Community School District taxpayers; have children attending school in the Midland Community School District, are current employees of the Midland Community School District, or alumni of the district (living in the district or not), or are members of the Paul Petersen Foundation may use the Fitness Center. Prior to using the Fitness Center, all eligible individuals will have to contact Lennie Miller at Midland Middle/High School building or at (563) 488-2292; sign a waiver of liability and pay \$80.00 (\$50.00 facility fee and a \$30.00 fee for a key FOB & programming). All high school graduates and individuals who are over the age of 18 are required to pay the facility fee and the fee for a key FOB. All fees will be waived for members of the Paul Petersen Foundation.

A key FOB will not be issued or activated until an individual has paid the facility fee and key FOB fee in full. The facility fee will be assessed on an annual basis and will be good for one calendar year from when the key FOB is issued. If an individual's key FOB is lost or destroyed, the individual shall immediately notify the school in writing, the individual will be required to pay a \$20.00 replacement fee, and the individual will not be granted access to the Fitness Center until the replacement fee has been paid and a new key FOB has been activated and issued. The Midland Community School District Board of Directors reserves the right to increase any fees it deems necessary, at any time during the course of the year. If the Board increases a fee, the increase will be effective immediately for all new users and for renewals when the renewals come due.

The school has the right at any time to discontinue the availability of the Fitness Center either temporarily or permanently.

2. Hours of Operation. The Fitness Center will be open during the hours of 5:00 AM–10:00 PM, Monday through Friday for use by the school and general public. Weekend/holiday hours will be 5:00 AM–8:00 PM. All individuals must be out of the Fitness Center no later than 10:00 PM on weekdays and 8:00 PM on holidays/weekends. The last individual in the Fitness Center at the end of the hours of operation each day must make sure that all lights in the Fitness Center are turned off and all exterior doors are closed. The school's night maintenance person will check the Fitness Center before leaving at night (11:00 PM) to make sure the lights are out and the Fitness Center is secure.

During the school year, the school has priority to use the Fitness Center during the school day (7:00 AM–6:00 PM). For school activities, which include, but are not limited to, weight lifting/P.E. classes/sports practices, etc., the school will attempt to identify in advance the days and times the Fitness Center will be used for those purposes and make those days and times known sufficiently in advance. If there is a question about whether the Fitness Center is available for public use, the main office at the high school should be contacted for information. The phone number at the main office at the high school is (563) 488-2292.

The school will try to keep individuals informed of any changes in the posted use schedule and encourages users to provide their e-mail address to the school for this purpose.

3. Clothing. Proper attire must be worn at all times. Proper attire is defined as t-shirts, sweats or shorts, and closed toed shoes. No open toed shoes will be permitted.

4. Conduct. Any conduct that unreasonably interferes with the use or enjoyment of the Fitness Center's facilities and equipment by others or disrupts or interferes with the normal, safe, orderly, and efficient operation of the facilities or equipment, is strictly prohibited. The school reserves the right to deny access to the Fitness Center to anyone who fails to comply with these rules and regulations.

5. Smoking. Smoking of any kind or any other consumption or use of tobacco products is strictly prohibited in the Fitness Center.

6. Food and Beverages. Food and beverages (other than water) shall not be brought into the Fitness Center for consumption on the premises. The possession and/or consumption of alcoholic beverages is strictly prohibited.

7. Maintenance. Users are responsible for their own towels if they choose to shower after working out. Users are responsible for cleaning up after they use the locker room facilities and shall not leave any litter, trash, debris or articles of clothing or towels in the Fitness Center. There are no lockers in the Fitness Center, so each individual will be personally responsible for any items of personal property that they bring into the Fitness Center.

8. Free Weights. Individuals who use free weights should replace their weights after they are done using them. Individuals using the facilities and equipment are never to work out alone and must have at least a minimum of one spotter for any use of the free weights. Collars are mandatory on all barbells.

9. Miscellaneous Items. Do not open the roll-up door and/or prop open the entrance door. The facility is air conditioned/heated so this obviously increases utility costs. Do not alter the thermostat setting (up or down) or enter utility room. Do not place your feet on the walls, this has led to some drywall damage. Pick up after yourself, or better yet, leave the facility in better shape than you found it.

10. Violation of Rules. An individual's repeated failure or refusal to comply with these rules and regulations may result in the loss of privileges.

All individuals should check with their physician prior to using the Fitness Center. Individuals should not use equipment without proper knowledge of how to use the equipment.
