

Hard Surface Road Route Information

Winter/Spring 2018

Midland Parents/Guardians

When necessary due to road conditions, Midland will be running its busses on hard surface roads only using the schedule that you will find below. When this plan will be implemented it will be communicated via our school email system, Iowa School Alerts system and local television and radio stations.

These times are estimates. Please be a few minutes early. Thank You

I understand that this will cause inconvenience to some of you. Please understand that this is a safety issue, related to the very poor condition of the gravel roads.

A copy of all of the hard surface routes is below. You can bring your child to any of the designated stops. If you have questions call Transportation Director John Stender at bus barn 488-3965 or school 488-2292, ext. 1140.

Sincerely,

Doug Tuetken, Superintendent

John Stender, Transportation Director
