

RSCHOOL MADE SIMPLE!

We **HIGHLY recommend** that if your son/daughter is involved in activities that you become acquainted with **rSchool** and use it! Sign up for the automatic notifications to your cell phone or your email, then you will know when games/activities have been scheduled / cancelled / postponed as soon as the office is. Otherwise if you rely on the Voicebox you are taking a chance that the office is open and staffed with someone who knows how to update it.

rSchool is accessed at: <http://www.tririversconference.org/g5-bin/client.cgi>

1) If you've not already done so, sign up to receive notifications. At the top right in the box shaded in orange, outlined in red is the **NOTIFY ME** button.

The screenshot shows the rSchool website for Midland High School. The browser address bar displays <http://www.tririversconference.org/g5-bin/client.cgi>. An orange box highlights the 'Notify Me' and 'Subscribe' buttons in the top right corner. A red arrow points to the 'Notify Me' button. A green box highlights the 'Advanced View Report' button in the bottom right corner. A red arrow points to the 'Advanced View Report' button.
