### **Medical**

Jessica Current  
School Nurse  
[midlandnurse@midland.k12.ia.us](mailto:midlandnurse@midland.k12.ia.us)

## **ESSER/GEER**

### **Funding Priorities**

Allocations – Midland Community School District

ESSERI = \$89,620.00

ESSERII = \$357,220.00

ESSERIII = \$611,440.07

Federally Required 20% Learning Loss Set-aside = \$160,453.00

GEER = \$25,600.00

### **Notes:**

- This is ONE-TIME funding, therefore expenditures need to be either one-time OR be able to be maintained beyond the 2022-2023 school year. Decisions of maintaining the program(s) beyond the year will be forecasted through analyzing enrollment trends and current programming needs.
- ESSER Funding is allocated based on the Title Funding allocation model – this is a federal, not state requirement. Therefore, districts receive funding based mainly on the rate of free and reduced lunch in the district, meaning a smaller district with higher rates of free and reduce lunch students may receive similar (or more) funding than a larger school.
- Each District has different factors, different financial factors, different enrollment trends, different staffing needs, etc. The amount allocation per student differs based on the allocation formula from Title; therefore, each district will have different needs and abilities to utilize this funding. A district might value something, but their circumstance may cause prioritization of other items.

### **ESSER III Funding Priorities:**

- Prevent and mitigate the spread of COVID-19 by purchasing cleaning supplies, equipment, and personal protective equipment (PPE).
- Enhance district-wide technology infrastructure and devices.
- Address prior and current pandemic-related budget challenges of district enterprise fund programs (nutrition).
- Enhance access to student mental health services and social-emotional learning.
- Summer School Program – extended learning opportunities open to all students (salaries/activities/etc).
- Help close the gap of learning loss (interventionists).
- Enhance curriculum
- Social/emotional and mental health of not only our students
