

Administrator's Message:

Dear Midland Families and Community,

Happy February! I hope the new year is treating you well and that you have been able to stay warm! We have had many wonderful moments already this year, and I want to take this opportunity to share some highlights and excitement as we move into the spring 😊 semester.

One thing that continues to make Midland special is the way our students support and encourage each other. Our wrestling cheer team has been bringing great energy and spirit to competition, cheering on classmates and lifting the whole crowd. Moments like that reflect our strong Eagle pride and sense of community. This can make us all feel proud of our students!

We are also thrilled to see students in classrooms making learning both meaningful and fun. For example, Spanish students recently enjoyed planning a mock camping trip complete with treats like s'mores as they practiced new vocabulary. This is an example of a great blend of creativity and learning that reflects the type of hands-on, engaging instruction happening at Midland.

Our HOPE group is sponsoring the Great Kindness Challenge, encouraging students to complete as many acts of kindness as possible. These student-driven efforts remind us that academic success goes hand-in-hand with character and compassion. It is wonderful to see kindness celebrated in our schools, and another pride point!

Looking ahead, there are many opportunities on the calendar this month, including the Midland Hall of Fame Induction during halftime of the boys basketball game on February 6 and several athletic and music events that bring our community together.

I also want to remind families that Preschool and Kindergarten Registration for 2026-27 is now open, offering a chance for young learners to join the Midland family and begin their educational journey with us. More information can be found at: https://www.midland.k12.ia.us/news/?utm_source=chatgpt.com. Midland is a great place, looking forward to you joining us!

I also want to share some positive financial news. Based on current projections, we anticipate the district tax rate decreasing by approximately two to three dollars, moving from nearly sixteen dollars to the thirteen dollar range. This improvement reflects the district's strong financial recovery over the past few years and the fact that our cash reserve levy is now above twenty percent, which allows us to responsibly reduce taxes.

Student enrollment plays a significant role in this picture. The more students we serve, the more funding the district receives, which helps support programs and can reduce pressure on the local tax rate. When resident students attend Midland rather than open enrolling out, those education dollars stay in our community and work for our schools - rather than our tax dollars being sent to other communities and schools. While future adjustments may still be necessary, maintaining strong enrollment helps strengthen both our schools and the overall financial health of the district.

Thank you for your continued support of Midland students, staff, and activities. Whether cheering at a game, attending a concert, supporting our extra curricular programs, or encouraging your child at home, your engagement makes a lasting impact. Together, we continue building an environment where every student can thrive academically, socially, and personally.

Your Partner in Education, Doug Koerperich

SENIOR GUIDANCE CHECKOUT

Seniors are asked to fill out the google document for Senior Guidance Checkout by January 31, this contains graduation requirement information!

Thank you to Cassi Gilson for teaching our 8th graders CPR. This gives them a life skill we hope they never need to use and also meets a graduation requirement for them!

Summer Drivers Education Class

Midland will be offering a summer drivers education class to start in May. Students will sign up using a google survey. Watch for a ParentSquare notification when the calendar, rules, and signup are available.

Preschool & Kindergarten Sign-Up for 2026-27

The Midland District would like to have information on the number of Preschool and Kindergarten students to be enrolled next fall for the 2026-27 school year.

A preschool student must be 4 years old by September 15, 2026 and a kindergarten student must be 5 years old by September 15, 2026 to attend school.

Please contact Erika at the Elementary School

etubbs@midland.k12.ia.us with any questions.

TEAM BUILDING

When the weather permits, recess is full of fun even in the winter! Here's a recent photo of Midland Elementary students teaming up to build snowmen.

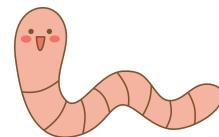

Life Cycle Learning

Our mealworms have arrived, and second graders are excited to begin learning about the mealworm life cycle! Students have been discussing what living things need to survive (air, water, food, and space) and will now apply that knowledge through hands-on learning.

Students have been divided into small groups and given mealworms to care for over the next few weeks. They will be responsible for feeding and caring for their mealworms

as they move through the life cycle, with the goal of observing the transformation into a darkling beetle.

As students clean their vials, they will carefully monitor and record the changes they observe, strengthening their science observation and recording skills.

Mrs. Gnade Receives Ag Literacy Grant

Midland first grade teacher, Diane Gnade has been selected to receive an Agriculture in the Classroom Teacher Supplement Grant from the Iowa Agriculture Literacy Foundation (IALF) with the project titled "Chicken Hatching in the First Grade Classrooms".

This agriculture-focused grant from IALF is made possible through the support and generosity of our statewide Ag literacy friends and partners, including the Iowa Farm Bureau Federation. These funds help strengthen agricultural literacy by using agriculture as a foundation to enhance learning in STEM, science, social studies, math, language arts, and other subject areas.

BayLee Feckers, Kameren Smith, Logan Gravel, Aleah Clark, Kam Sagers, and Landon Moore represented Midland at the **Tri-Rivers Conference High School**

Honor Band on January 12th at Starmont High School.

Attention 8th grade parents!

On March 11th at 6pm in the High School Library we will be hosting a 4 Year Plan presentation to talk about registering for high school classes. It is important to attend this meeting to find out more about opportunities in high school and graduation requirements. If you have any questions please reach out to Mrs. Lasack or Mrs. Willms!

February is National Teen Dating Violence Awareness and Prevention Month. This is an issue that impacts everyone – not just teens – but their parents, teachers, friends and communities as well. Parents, talk to your teens about their relationships. If support is needed call the national hotline at 1.866.331.9474 or text LOVEIS to 22522

Course registration talks will take place on February 10th! Students should look at their Xello accounts and make adjustments to course plans ahead of time to make the process quicker! Course plans are due on February 27th.

HOPE sponsored **Great Kindness Week Challenge** during the week of January 26-30. Awards were presented and a lot of positivity flowed through our student body. We hope you all did some acts of Kindness as part of our Eagle community!
